

OPTION #2

Primary:	K-5
Middle School:	6-8
High School:	9-12

Pro's

- K-5 would be in one building
- Full time counselor available
- Minimizes disruption across district
- Busing consolidation

Con's

- Reconfiguring spaces/construction costs
- Impact on football use of locker rooms during halftime
- Moving lines for technology
- Need to relocate Preschool and Daycare
- Art and music on a cart
- Need to go with half-day Kindergarten
- Loss of revenue at C.D.C.
- 600 student Primary building
- Diminished return by adding another administrator to the Primary building
- Require portables to be added to Primary
- Require bond issue
- Less attractive to new families
- Instructional quality diminished due to size of building
- Infrastructure overwhelmed by large student population (i.e. parking lot, cafeteria, program space, library, technology, etc.)
