

OPTION #3

Primary:	K-4
Middle School:	5-8
High School:	9-12

Pro's

- Most balanced, common sense option
- Workable combination of students at Middle School 5th/6th, 7th/8th
- Full time counselors available at each building
- Fits Primary building without dismantling Early Childhood Program
- Infrastructure demands reasonable (i.e. parking lot, cafeteria, program space, library, technology)
- Reconfigured plan to limit problems of younger kids mixing with older kids reasonable
- Good academic fit for fourth grade
- Maximize savings through staff reductions
- Instructional quality reasonable
- Attractive option to new families
- Financially feasible without bond
- No portables required

Con's

- Parents perception – 5th grade needs to be separated
- Additional costs for playground
- Renovation costs
